THE NIBEL CLUB AND

PLANS FOR THE SEASON.

Annual Meeting to Be Held May

9th at the Club House at

Peshaw Lake.

WILL BE A FESTIVE OCCASION.

Saturday of Each Week to Be Gata

Day--Bicycle Path Being

Put in Good Condition.

At a meeting of the directors of the

Nibel Club it was decided to hold the

annual meeting of the club at the club

house on Monday, May 9th, at four

o'clock, due notice of which will be

mailed to the members.

The path is being put in excellent con-

dition and by the 9th of May the country

roads will be in good condition for those

who desire to go out in their carriage.

The directors are planning for a supper,

music and boating at the time of the an-

nual meeting and propose to make it an

enjoyable occasion.

During the year it is proposed to have

supper every Saturday afternoon and

evening and make this the club day of

the week.

On Friday morning, Mr. Wheeler, the

gatesman, commenced his duties at the

gate and the directors propose to enforce

the rules of the club in regard to any

person residing in Bangor using the path

or club house who is not a member, un-

less he has permission in writing from

entrance fee and one-half of the annual

assessment, and that ladies recommended

by any member of the club should have

riding permits, giving them all the ad-

vantages of members and their families,

for three dollars, the same as last year.

THE FESTIVAL.

Mr. Chapman Talks of the 6th

Musical Event.

Artists of World-wide Reputation Will

Sing.

Wonderful last night I directed a

concert of the Rubenstein Club at the

Widow's Astoria last night and here I

am in Bangor this afternoon," said Mr.

W. H. Chapman, of New York, director

of the Maine musical festival, as he

greeted a Whig representative at the

Bangor House yesterday just after his

arrival from New York.

Mr. Chapman showed the Whig man

a program of the concert which he re-

ferred to. It was a private affair and

very successful. The club had the as-

sistance of Mr. Evelyn Miles the bar-

ton who made such a strong hit at the

festival in Bangor last October. Mr.

Max Korkor, violinist, and Mr. Louis Levy

accompanist, the board of patronage

patronesses of the Rubenstein Club is

composed of some of the most prominent

men and women in New York.

In speaking of the Maine festival next

fall Mr. Chapman said: "I shall have

a grand list of artists for the festival, in

fact some of the world's best singers

have been in correspondence with Gad-

ski and expect to secure her for the fes-

tival next year. I am not quite ready

to announce the entire list at present

but shall be in a short time.

I propose to have a recital of the

festival a patriotic concert at which

many of the grandest and most

popular patriotic songs will be sung and

placed in view of the war I think

such a programme would excite much

interest and share with the people

I am thinking of using some of the best

local talent at the festival."

A rehearsal of the festival chorus was

held last evening at the Memorial

Parlors with a large attendance, the

chorus being augmented by the choruses

from the Oldtown and Oldtown. Mr. Chap-

man directed and developed the enthu-

siasm and spirit of the chorus which are

counting when he is swinging the baton.

STATE OF MAINE.
A FAST DAY
PROCLAMATION.

In deference to the practice of early settlers of New England, and having a precedent established in the State of Maine, and also with a view to the convenience of the Executive, I do hereby appoint

THURSDAY, the 23rd Day of April, as a day of fasting and prayer.

FASTING AND PRAYER.

It is fitting that the people of this State should unite in a day of fasting and prayer, to seek the blessing of God upon the people, and to express their gratitude for the many favors which have been bestowed upon them.

By the Governor,
BYRON BOYD, Secretary.

The First Maine.

Few people know the history of the first Maine. It was a small, remote, and almost forgotten place, until it was discovered by a Frenchman, who named it after his country.

Smith and Burns, of the customs service, in search of contraband tobacco, proved unsuccessful and was evidently caused by a sensational and somewhat hysterical article in a late issue of the Bangor Commercial which alleged the wholesale smuggling of tobacco and other articles over the border. VANCEBORO NEWS.

Our correspondent writes: Vanceboro is experiencing at the present time the worst kind of weather which, together with dull times, makes things look blue.

Mr. Harry Mansfield is papering and painting the Knight house on Lambert street. Mr. John Knight owns two dwelling houses in Vanceboro, one large one now being repaired, and a small house on the corner of Lambert and First street, south from the Maine Central station. Mr. Knight moved from Vanceboro some three years past to Rat Portage, Ontario, Canada, and follows lake fishing extensively in that country. He is a brother to Mr. Richard Knight, engineer on the Maine Central railroad.

Mr. Robert M. Bales, yard master for the Maine Central railroad at Vanceboro, went to New York last Monday on business. He will be absent one week.

Mr. Carl Kellogg, formerly of Vanceboro but who is now in the employ of the Aromur Meat Co. of Bangor, spent a day in Vanceboro at his home this week.

Mrs. C. B. Kingston, of Vanceboro, wife of Mr. C. B. Kingston, of the Maine Central railroad freight office, returned from Bangor this week, where she spent a few days with friends.

Mr. Ernest Kingston, of the Maine Central Railroad Co., of Bangor, and wife spent a day in Vanceboro this week, visiting friends.

The members of the Pythian Sisterhood of Vanceboro gave an entertainment in the Congregational church last Monday evening entitled The Daughters of '70. The ladies did well as they always do when they undertake anything and were greeted with a good sized audience.

Mrs. Frank Leighton, of Vanceboro, who passed a few days in Danforth last week, returned to her home last Tuesday.

Mrs. L. Knowlton, of Vanceboro, passed a few days in Winn last week and was present at the funeral of her niece who died there after a short illness.

Mr. Henry Johnson, barber, of Kingman, was in Vanceboro this week.

Mr. Bartley Sear and Mr. Robert Armstrong, of Vanceboro, purpose buying Mr. Johnson's business at Kingman.

John A. Grant, boot and shoe maker, of Vanceboro, has moved from his former place of business to the John Knight house, on the corner of Lambert street, south from the Maine Central station, where his customers will find him.

Vanceboro people would welcome all who fear to reside near the seacoast during the coming war. There are a large number of vacant houses which could be rented cheaply here, and Vanceboro is the terminus of the Maine Central railroad, and a very pleasant town, but no one is invited to cross the lines to Canada.

Postmaster Ross had the postoffice nicely cleaned and papered last week. The postoffice these days is the most stirring place in town but Mr. Ross is equal to the occasion.

SCIATIC RHEUMATISM CURED.

L. Wagner, Wholesale Druggist, Richmond, Va., says: "I had a fearful attack of Sciatic Rheumatism, was laid up almost two months; was fortunate enough to get MYSTIC CURE FOR RHEUMATISM. This cured me after doctor's prescriptions had failed to have any effect. I have also heard of fine results from others who have used it." Sold by J. E. Mountaine & Co., 83 Main street, Caldwell Sweet, 26 Main street, Druggists, Bangor.

A HARD WORKING WOMAN

—sooner or later suffers from backache, nervous, worn-out feelings, or a sense of weight in the abdomen, dragging down sensations and dizziness. It will all come to an end with Dr. Pierce's Favorite Prescription for Women's Special. It restores her strength, regulates and promotes all the natural functions and makes a new woman of her. (Uterine debility, irregularity and inflammation are most often the cause of the extreme nervousness and irritability of some women—the medicine to cure it is "Prescription" of Dr. Pierce. All the aches, pains and weaknesses of womanhood vanish where it is faithfully employed. Dr. Pierce's Favorite Prescription is therefore just the medicine for young girls just entering womanhood and for women at the critical "change of life."

RESOLUTIONS OF RESPECT.

The following resolutions have been adopted by B. H. Beale Woman's Relief Corps on the death of Ella Small Quimby.

Resolved, that while we bow in submission to Him "who doeth all things well," we realize with heartfelt sorrow the loss this Corps has sustained in the death of our beloved and honored member while knowing that our loss is her eternal gain.

Resolved, that we, the members of B. H. Beale Woman's Relief Corps, will ever cherish her memory and we tender to the bereaved husband and only son our sympathy in this their hour of affliction and sorrow and that we commend them to our loving Father, and be it further

Resolved, that as a tribute of respect to the memory of our departed member we draw our charter in mourning for thirty days, that these resolutions be entered on the records of the Corps and copy be sent to the family of the deceased and that they be published in the Bangor Daily papers.
